INDEX TO AUTHORS

ACHESON, R. M. and MACINTYRE, M. N., the effects of acute infection and acute starvation on skeletal development: A Study of young rats, 37.

ADAMS, C. W. M., FERNAND, V. S. V. and SCHNEIDEN, H., histochemistry of a condition resembling kwashiorkor produced in rodents by a low protein-high carbohydrate diet (Cassava), 393

ALI, W., see *Rowley, D.*

ANDREWS, C. H., see *Chaproniere, Donna, M*

BACON, G. A., see *Burrows, T. W.*

BANG, F. B. and NIVEN, JANET S. F., a study of infection in organised tissue cultures, 317

BAUER, D. J., the chemotherapeutic activity of compounds of copper, rhodium and certain other metals in mice infected with neurovaccinia and ectromelia viruses, 480

BEDSON, S. P. and GOSTLING, J. V. T., further observations on the mode of multiplication of herpes virus, 502

BEHAR, A. J., see *Tal, Chloe*

BESWICK, T. S. L., see *Tyrrell, D. A. J.*

BIOZZI, G., HALPERN, B. N., STIFFEL, C. and MOUTON, C., quantitative study of the metabolic activity of the Kupffer cells on a heat-denatured serum albumin labelled with ^{131}I, 510

BLISS, J. Q., STEWART, P. B. and FULLER, J. L., the selective cutaneous response to autologous and non-autologous plasma in dogs: observations on the effects of inbreeding and of immaturity, 30

VAN DEN BRENK, H. A. S., radiation lethality in histamine depleted rats, 300

———, observations on mast cell changes, histamine release and local tissue damage in rats following X-irradiation, 356

BRODIE, J., GUTHRIE, W. and SOMMERVILLE, T., an attenuated variant of *Staphylococcus Aureus* with specific immunising properties, 199

BROPHY, E. M., see *Wendel, O. W.*

BRUMFITT, W. and HEPTINSTALL, R. H., experimental pyelonephritis: the influence of temporary and permanent ureteric obstruction on the localisation of bacteria, 610

BURKE, D. C. and ISAACS, A., further studies on interferon, 78

——— ———, some factors affecting the production of interferon, 452

——— ———, see *Isaacs, A.*

BURROWS, T. W. and BACON, G. A., the effects of loss of different virulence determinants on the virulence and immunogenicity of strains of *Pasteurella pestis*, 278

CARSON, H. G., see *Sommerville, R. G.*

CHAPRONIERE, DONNA, M., DONE, J. T. and ANDREWES, C. H., comparative serological studies on Talfan and Teschen diseases and similar conditions, 74

CIMINERA, J. L., see *Stevens, K. M.*

CINADER, B. and PEARCE, J. H., the specificity of acquired immunological tolerance to azo proteins, 8

CLARKE, SUZANNE K. R., see *Tyrrell, D. A. J.*

CURRAN, R. C., see *Tyrrell, D. A. J.*

DODSON, L. F., the relation of the Foetal kidney to the fall in blood pressure of hypertensive rats during pregnancy, 405

DONE, J. T., see *Chaproniere, Donna, M.*

ELDER, J. M. and WILHELM, D. L., enzyme-like globulins from serum reproducing the vascular phenomena of inflammation. V. Activable permeability factor in human serum, 335

———, see *Mill, P. J.*

EPSTEIN, M. A., an investigation into the purifying effect of a fluorocarbon on vaccinia virus, 436

———, see *Holt, S. J.*

EVANS, C. A., see *Wilcox, W. C.*

EVERETT, N. B., see *Wilcox, W. C.*

FADEEVA, LYDIA, see *Isaacs, A.*

FERNAND, V. S. V., see *Adams, C. W. M.*

FERRIS, R. D., see *Plowright, W.*

FREEMAN, T., GORDON, A. H. and HUMPHREY J. H., distinction between catabolism of native and denatured proteins by the isolated perfused liver after carbon loading, 459

FULLER, J. L., see *Bliss, J. Q.*

GARDNER, D. L., the effect of hydralazine (L-Hydrazinophthalazine) on the kidneys of rats treated with cortexone, 552
GOOD, R. A., see *Martinez, C.*
GOLBERG, L. and SMITH, J. P., changes associated with the accumulation of excessive amounts of iron in certain organs of the rat, 59
GORDON, A. H., see *Freeman, T.*
GORRILL, R. H., the establishment of Staphylococcal abscesses in the mouse kidney, 203
GOSTLING, J. V. T., growth of influenza A′ virus in cultured cells of embryo mouse lung, 679
———, see *Bedson, S. P.*
GRAFNETTER, D., see *Zemplényi, T.*
GREEN, D. M., the effects of nitrogen mustard (methyl Bis (β-chloroethyl)amine HCl) on the immunological response of the rabbit. I. The effects of nitrogen mustard on the primary response to a bacterial antigen, 192
——— the effects of nitrogen mustard (Methyl Bis (β-chloroethyl) amine HCl) on the immunological response of the rabbit. II. The effects of nitrogen mustard on the breakdown of a bacterial antigen in splenic tissue, 213
GRIFFIN, P. E., see *Wendel, O. W.*
GUTHRIE, W., see *Brodie, J.*

HALPERN, B. N., see *Biozzi, G.*
HAM, K. N., see *Hurley, J. V.*
HARRIS, H. and JAHNZ MARIANNE the synthesis of protein in the macrophage and the Hela cell, 597
HARRIS, P. F., changes in Thymus and lymph node activity and alterations in bone marrow lymphocyte levels during recovery of the guinea-pig from whole body gamma irradiation, 557
HEATH, R. B., see *Tyrrell, D. A. J.*
HEPTINSTALL, R. H., see *Brumfitt, W.*
HERRING, G. M. and KENT, P. W., mucoproteins of ox tracheal cartilage, 631
HESS, R. and PEARSE, A. G. E., the histochemistry of indoxylesterase of rat kidney with special reference to its cathepsin-like activity, 292
HOLT, S. J. and EPSTEIN, M. A., cytochemical and electron microscopical observations on substances associated with fluorocarbon purified vaccinia virus, 472
HUMPHREY, J. H., see *Freeman, T.*
HURLEY, J. V., STOREY, E., and HAM, K. N., the effects of amino-acetonitrile and cortisone on the healing of turpentine-induced abscesses in the rat, 119

ISAACS, A., BURKE, D. C. and FADEEVA, LYDIA, effect of interferon on the growth of viruses on the chick chorion, 447
———, see *Burke, D. C.*
JACKSON, D. and ROBSON, J. M., the effect of methyl cholanthrene on growth and pregnancy, 133
JAHNZ, MARIANNE, see *Harris, H.*
JENKIN, C. R., see *Rowley, D.*
JOHNSTONE, J. M., see *Smith, D. D.*

KENT, P. W., see *Herring, G. M.*

LANDY, M., TRAPANI, R–J. and SHEAR, M. J., interference by endotoxic polysaccharides with inactivation of coliphage by human serum, 618
LAUFER, A., see *Tal, Chloe*
LIKAR, M. and WILSON, D. C., observation on the interaction of poliovirus and host cells *in vitro*, 674

MCINTOSH, E. G. S., see *Sommerville, R. G.*
MACINTYRE, M. N., see *Acheson*, R. M.
MACKAY, MARGARET, E., see *Wilhelm, D. L.*
